

McAfee[®] TAILGATING RULES & REGULATIONS

Tailgating is permitted in the McAfee Coliseum parking lots, however, it is limited to the area directly in front of or behind your vehicle. Empty spaces may NOT be used for the purpose of tailgating, nor may patrons reserve additional spaces for themselves or others. Due to the very limited parking in the McAfee Coliseum lots, only one stall per vehicle is allowed.

Please dump coals in the appropriate receptacles provided throughout the lots for your safety. Please do not dump coals on the parking surface.

CORRECT TAILGATE SET-UP

To properly set up your tailgate, please keep all tables, chairs, coolers, barbecues, etc within the parking stall(s) in your party. You may not take up extra parking stalls for your equipment. The diagram below illustrates the correct way to set up your tailgate.
